1. Dust & Dawn
Cool desaturated habitat, bird is the only warm thing

2. Slate & Ember
Almost monochrome, one surviving warm note

3. Portra Restraint
Film: warm mids, cool shadows, lifted blacks, real grain

4. High-Key Mist
Bright, airy, negative space, bird small

5. Nocturne
Chiaroscuro - the bird emerges from black

6. Halo
Backlit translucency - light through the feathers
